SENSATIONAL SPEECH.

A Priest Attacks the Public

Schools.

RELIGIOUS EDUCATION.

Denounced the Entire System

as Dangerous Unless Reli-

gion was Injected.

DENUNCIATORY ADDRESS

Dubuque, Iowa.—Archbishop Hen-

nessy created a sensation by an attack

on the public schools, in an address

to the pupils at St. Clara's Academy,

Sinsinawa, Wis., this afternoon. He

denounced them as irreligious and

therefore dangerous for future genera-

tions; claimed that the Catholics paid

one seventh of the five hundred mil-

lions which is cost to support the

public schools, but were denied the

privileges of religious education and

that in addition to the seventh, the

Catholics pay forty millions for the

education of their children in their

own schools. The entire address was

a denunciation of the public school

system and laudatory of the parish

schools.

"For three years we have never

been without Chamberlain's Colic,

Cholera and Diarrhoea Remedy in the

house," says A. H. Patter, with E. C.

Atkins & Co., Indianapolis, Ind., and

his wife would as soon think of being

without four as a bottle of this Rem-

edy in the summer season. We have

used it with all three of our children

BIG STRIKE.

Illinois Coal Miners Walk

Out.

20,000 MINERS QUIT.

Suspension of Work in All

Coal Fields Widespread-

ing Effect.

ONLY 9 CENTS AN HOUR.

JOHNET, Ill.—State Secretary W.

D. Ryan, of the Miners Association,

today issued a notice that all work on

the Illinois coal fields would be stop-

ped at once, and that a national sus-

pension would certainly follow. The

strike will affect twenty thousand

miners in this state. The miners in

the Wilmington fields stopped today,

claiming they can only make nine

cents per hour under the existing

scale.

Stands at the Head.

Aug. J. Bogel, the leading druggist

of Shreveport, La., says: "Dr. King's

New Discovery is the only thing that

cures my cough, and it is the best

seller I have." J. E. Campbell, mer-

chant of Safford, Ariz., writes: "Dr.

King's New Discovery is all that is

claimed for it; it never fails and is a

sure for Consumption, Coughs and

Colds. I cannot say enough for its

merits." Dr. King's New Discovery

for Consumption, Coughs and Colds

is not an experiment. It has been

tried for a quarter of a century, and

today stands at the head. It never

CHICAGO.—The total number of

passengers handled for the Christian

Endeavor convention by railroads run-

ning out of Chicago, is close to ten

thousand. This is more than many

roads were looking for.

CLEVELAND, O.—The headquarters

of the Republican National commit-

tee are to be transferred from Wash-

ington to this city. Chairman Hanna

and Secretary Dick will be here all

summer.

Mr. Isaac Horner, proprietor of the

Barton House, Barton, W. Va., and

one of the most widely known men in

the state was cured of consumption

three years of suffering. He says: "I

have not sufficient command of lan-

guage to convey any idea of what I

endured, my physicians told me that

nothing could be done for me; and

my friends were fully convinced that

nothing but death would relieve me of

my suffering. In June 1894, Mr.

Evans, then salesman for the Wheel-

ing Drug Co., recommended Chamber-

lain's Pain Balm. At this time my

tooth and limb were swollen to more

STOCK RISING.

The Mollie Gibson on the

Bo rd.

THE SUDDEN ADVANCE

Rises to 69 Cents Because of a

Rich Strike Made in the

Famous Mine.

OTHER STOCKS RISE.

Denver, Colo.—The Mollie Gibson

stock which jumped from thirty-one

and a half cents to fifty-one cents a

share, on Monday, touched sixty-nine

cents today. The cause of the rise is

the report of a strike in the Gibson

property. Mining stocks in general

are advancing sympathetically with

the "Mollie."
